A|-----| -3h4-----0-0-----| -3h4-----0-0-----|
E|-----|-----|-----|

```

Guitar Lesson Overview

There are many ways to play blues guitar, but something few players spend time working on, is rhythm. Here is a great way to play chords over a 12 bar blues. It sounds great; it's easy to play, so why aren't more people learning this stuff? Beats me. You better learn it now huh!
