Guitar Lesson Overview

This guitar lick is played in the key of A.

Here is a Hendrix style lick, and some rhythm too, inspired by his version of Wild Thing. Jimi Hendrix was to me a real, true, fantastic blues player. Blues was in his soul, no doubt. The lick I teach in this video is the style of playing I have come up with myself, after being immersed in blues as well as Hendrix over the last 30 years. Hope you enjoy.
