

Jimi Hendrix Style Major Chords - Robert Renman

Guitar Lesson Overview

Jimi Hendrix style major chords - this is fun! Jimi was a master at embellishing chords, and in this lesson, we will learn a few of these techniques. Jimi used a lot variation and creativity as well as great technique, when he played this way. Take this concept further if you can - use hammer-ons and pull-offs and slides and what not, to further enhance your chording options.
