

Funky Country Lick in G - Robert Renman

This lick is played in the Key of G so you can utilize the open G string a few times. You can play this in an open vamp in G or G7. The drum loop is pretty quick - 180 beats per minute.

The lick starts just before bar 3. Before that we play the G triad riff (first 2 bars)

Key G:

(Start lick)

e		-----	-----	-----	-----	-----	-----	-----	-----	3-
B		-----5-----	-----3-----3-----	-----	-----5-----	-----3-----3-----	-----	-----	-----	2h3-
