Against the Wind - Bob Seger & the Silver Bullet Band (4/4)

Intro: G, G, G, G

Verse 1:

G   '
It seems like yesterday,
Bm   '
But it was long ago.
C   G
Jenny was lovely; she was the queen of my nights,
D   C
There in the darkness with the radio, playing low.
          G   '
And the secrets that we shared,
Bm   '
The mountains that we moved
C   G
Caught like wildfire out of control,
                C   D   '
Till there was nothing left to burn and nothing left to prove.

Pre-Chorus:

       [Em   D]   G
And I remember what she said to me,
       [Em   C]   G
How she swore that it never would end.
   [Em   D]   C
I remember how she held me, oh so tight.
C   D
Wish I didn't know now what I didn't know then.

Chorus:

G   Bm   C   G
Against the wind, we were running against the wind.
       [C   Bm   ][Am   C   ] G ' ' '
We were young and strong, we were running against the wind.

```
Verse 2:
-------

G                                      '
And the years rolled slowly past.
Bm                               '
And I found myself alone.
C                              G
Surrounded by strangers I thought were my friends,
D                        C
I found myself further and further from my home.
          G                    '
And I guess I lost my way.
Bm                             '
There were oh, so many roads.
C                          G
I was living to run, and running to live,
               C                     D         '
Never worrying about paying, or even how much I owed.

Pre-Chorus:
----------

       [Em     D]            G
Runnin' 8 miles a minute for months at a time,
       [Em          C]         G
breaking all of the rules that would bend.
  [Em             D]       C
I begin to find myself just searching,
C                           D
Searching for shelter again and again.

Chorus:
------

G          Bm  C                              G
Against the wind, we were running against the wind.
       [C         Bm            ][Am      C    ]  G '  ' '
We were young and strong, we were running against the wind.
```

Deadlines and commitments;
C   D
What to leave in, what to leave out.
