Introduction: "Intro Riff" (2 times)

Verse: ("Intro Riff" at end of each line, "Riff 2" at end of 3rd line)

```

G          A                                G          A
Well, I had to leave town because of Uncle Sam's deal,
G          A                                G          A
Well, I guess my good loving done lost its appeal,
C          D                                C          D
Because when I come back I heard the bad, bad news,
G          A                                G          A
They say our big romance has been getting abused.

```

Chorus:

Oh, tell me true, ^E
Don't lie to me, ^D
Have you been step, step, step, step, ^B
[E / / G]
Step, step, stepping out on me.

I got ways of findin' out (you been steppin' out on me) ^A ^G ^A
Do me dirt and I'll give you a piece of my mind ^G ^A
