Jimi Hendrix Style Lick is a free video lesson by Jody Worrell where you will learn a Hendrix inspired guitar lick to play a ballad in Em. Jimi had a knack for bringing a mixture of tone and energy to his solos even when playing on a slower song. Jody will take you note by note through this lick making sure you learn how to play it properly. By letting notes ring and adding some tricky bends, we can help recreate some of that legendary tone. After learning the lick, you'll have the opportunity to practice it along with the backing track to work on your timing.
