How many years can a mountain exist
Before it's washed to the sea?
How many years must some people exist
Before they're allowed to be free?
And how many times can a man turn his head
And pretend that he just doesn't see? (the answer)

Chorus

How many time can a man look up
Before he sees the sky?
How many ears must one man have
Before he can hear people cry?
And how many deaths will it take 'til he knows
That too many people have died?

Chorus
