Guitar Lesson Overview

A typical Stevie Ray Vaughan style lick, a guitar lick he often played, especially over the song Pride and Joy.

Also check out the ending of his solo in the tune Empty Arms, about 2:40 into the song. Sounds familiar?

Make note of where the first note starts in time - it's not on the 4 and or the 1 - it's starting with a syncopated note. That's one reason it sounds so cool.

I used the Line HD500 for the guitar tone, and my Squire Strat with Porter Pickups.
