On a

Verse 1:

-----

Em  
On a long and lonesome highway  
Em  
East of Omaha  
D  
You can listen to the engine moanin  
D  
Out as one note song  
A  
You can think about the woman, or the  
A Em '  
Girl you knew the night before  
Em  
But your thoughts will so be wandering the  
Em  
Way they always do  
D  
When you're riding sixteen hours and there's  
D  
Nothing much to do  
A  
And you don't feel much like ridin; you just  
A Em '  
wish the trip was through

Chorus:

-----

                  D                  Em  
Say here I am, on the road again  
                  D                  Em  
There I am, up on the stage  
                  D                  A  
Here I go, playing the star again  
          [  C  D  ]          Em      '      '  
There I go, turn the page

Verse 2:

-----

                  Em  
You walk into a restaurant,  
                  Em  
Strung out from the road  
                  D  
And you feel the eyes upon you, as you're  
                  D  
Shaking off the cold  
                  A  
You pretend it doesn't bother you,  
          A                          Em      '  
But you just want to explode  
                  Em  
Most times you can't hear 'em talk,  
                  Em  
Other times you can  
                  D  
All the same 'ole cliché is that a  
                  D  
Woman or a man  
                  A  
And you always seem out numbered; you  
          A                          Em      '  
Don't dare make a stand

Chorus:

-----

                  D                  Em  
Say here I am, on the road again  
                  D                  Em  
There I am, up on the stage  
                  D                  A  
Here I go, playing the star again  
          [  C  D  ]          Em      '      '  
There I go, turn the page

Verse 3:

-----

Em  
Out there in the spotlight, you're  
Em  
a million miles away  
D  
Every ounce of energy, you  
D  
try to give away  
A  
As the sweat pours out your body, like  
A Em  
the music that you play  
Em  
Later in the evening, as you  
Em  
lie awake in bed  
D  
With the echo's of the amplifiers,  
D  
ringin in your head  
A  
You smoke the day's last cigarette,  
A Em  
remembering what you said

Chorus:

-----

D Em  
Say here I am, on the road again  
D Em  
There I am, up on the stage  
D A  
Here I go, playing the star again  
[ C D ] Em  
There I go, turn the page

Chorus:

-----

D Em  
Say here I am, on the road again  
D Em  
There I am, up on the stage  
D A  
Here I go, playing the star again  
C D Em  
There I go, there I go turn the page

Outro:
