"Give Peace a Chance" is an anti-war song written by John Lennon (credited to Lennon and McCartney), and performed with Yoko Ono in Montreal, Quebec, Canada. Released as a single in July 1969 by the Plastic Ono Band on Apple Records (catalogue Apple 13 in the United Kingdom, Apple 1809 in the United States), it is the first solo single issued by Lennon, released while he was still a member of the Beatles, and became an anthem of the American anti-war movement during the 1970s. It peaked at number 14 on the Billboard Hot 100 and number 2 on the British singles chart.
