Verse:

If I should stay
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way

Chorus:

And I will always love you
I will always love you

Verse:

Bittersweet memories
That is all I'm taking with me
So goodbye, please don't cry
We both know I'm not what you, you need

Chorus:

And I will always love you
I will always love you

Bridge:

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this, I wish you love

Chorus:

And I will always love you
I will always love you

I will always love you
I will always love you

I will always love you
I, I will always love you

Darling, I love you
I'll always, I'll always love you
