

Substitute - The Who (4/4)

Introduction: D A G D (4 times)

D G D D
 You think we look pretty good together
 D G D D
 You think my shoes are made of leather

Em Em
 But I'm a substitute for another guy
 Em Em
 I look pretty tall but my heels are high
 Em Em
 The simple things you see are all complicated
 Em Em A A
 I look pretty young but I'm just back-dated yeah

D A G D
 Substitute lies for fact
 D A G D
 I can see right through your plastic mac
 D A G D
 I look all white, but my dad was black
 D A G D(hold)
 My fine-looking suit is really made out of sack

I was born with a plastic spoon in my mouth
 The north side of my house faced east and the east was facing south

Now you dare to look me in the eye
 Those crocodile tears are what you cry
 It's a genuine problem you won't try
 To work it out at all you just pass it by, pass it by

Substitute me for him
 Substitute my coke for gin
 Substitute you for my mum
 At least I'll get my washing done

But I'm a substitute for another guy
 I look pretty tall but my heels are high
 The simple things you see are all complicated
 I look pretty young but I'm just back dated yeah
