Lyrics:

Verse:  
-----

If I should stay  
I would only be in your way  
So I'll go, but I know  
I'll think of you every step of the way

Chorus:  
-----

And I will always love you  
I will always love you

Verse:  
-----

Bittersweet memories  
That is all I'm taking with me  
So goodbye, please don't cry  
We both know I'm not what you, you need

Chorus:  
-----

And I will always love you  
I will always love you

Bridge:  
-----

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish you joy and happiness  
But above all this, I wish you love

Chorus:  
-----

And I will always love you  
I will always love you

I will always love you

I will always love you

I will always love you  
I, I will always love you

Darling, I love you  
I'll always, I'll always love you
