Verse:

```
    Am                                G  F
She hangs her head and cries on my shirt.
[   G       Am     ][ G  C  ]
She must be hurt very badly.
               G       [  Am  D   ]
Tell me what's making you sadly?
[Am        D       ][  G           F   ]
Open your door, don't hide in the dark.
[      G           Am     ][     G     C  ]
You're lost in the dark, you can trust me.
C               G          [  Am   D  ]
'Cause you know that's how it must be.

Am      D      E7      Am
Lisa Lisa, sad Lisa Lisa.
```

Her eyes like windows, trickling rain
Upon the pain getting deeper
Though my love wants to relieve her
She walks alone from wall to wall
Lost in her hall, she can't hear me
Though I know she likes to be near me

Lisa, Lisa, sad Lisa, Lisa

She sits in a corner by the door
There must be more I can tell her
If she really wants me to help her
I'll do what I can to show her the way
And maybe one day I will free her
Though I know no one can see her

Lisa, Lisa, sad Lisa, Lisa

.....

"Sad Lisa" by Cat Stevens is a song about being there for an unhappy person and offering comfort. In the song, the narrator expresses his concern for a person named Lisa and his desire to help her out of her sadness. He attempts to get her to open the door instead of remaining alone in the dark, and he promises to do what he can to show her the way and eventually free her from her distress. The song is ultimately a message of hope and kindness, indicating that sometimes, we can be the source of support and healing for the people around us.
