Lyrics & Chords

Intro: G ' ' '

Verse 1:

```
                    G                                  Am
I've been down this road before. I remember every tree
            D                                            G
Every single blade of grass holds a special place for me
               G                               Am
And I remember every town and every hotel room
                 D                            G
And every song I ever sang on a guitar out of tune
```

Chorus 1:

```
          C                          G
I remember everything things I can't forget
                       A7
The way you turned and smiled on me
                           D
On the night that we first met
              C                                G
And I remember every night your ocean eyes of blue
                       D/F#                                  G
How I miss you in the morning light like roses miss the dew
```

Instrumental:

C G D/F# D7/F# G

Verse 2:

```
                    G                              Am
I've been down this road before alone as I can be
               D                                  G
Careful not to let my past, go sneaking up on me
                    G                                    Am
Got no future in my happiness though regrets are very few
                  D
Sometimes a little tenderness was the best that I could do
```

Chorus 2:

```
           C                           G
I remember everything, things I can't forget
                A7                                          D
Swimming pools of butterflies that slipped right through the net
               C                                  G
And I remember every night your ocean eyes of blue
                      D/F#                        G
How I miss you in the morning light like roses miss the dew
                      D/F#                             G    C  G
How I miss you in the morning light like roses miss the dew
