Chorus:

-----

          D                  \                  \                  \  
I'm proud to be an Okie from Muskogee,  
          D                  \                  \                  \  
A place where even squares can have a ball  
A7                  \                  \                  \  
We still wave Old Glory down at the courthouse,  
          A7                  \                  D          \  
And white lightin's still the biggest thrill of all

Verse 2:

-----

We don't make a party out of lovin';  
We like holdin' hands and pitchin' woo;  
We don't let our hair grow long and shaggy,  
Like the hippies out in San Francisco do.

Chorus:

-----

I'm proud to be an Okie from Muskogee,  
A place where even squares can have a ball  
We still wave Old Glory down at the courthouse,  
And white lightin's still the biggest thrill of all

Verse 3:

-----

Leather boots are still in style for mainly footwear;  
Beads and roman sandals won't be seen.  
Football's still the roughest thing on campus,  
And the kids here still respect the college dean.

Outro:

-----

We still wave Old Glory down at the courthouse,  
In Muskogee, Oklahoma, USA.
